Oh darn! I wish they could have been more specific especially since they seemed so wild about the book (at least according to my author!) Let's talk about Kristen Ashley next week. I am so excited we retained rights!

Hi Emily and Becca,

Unfortunately, we received a pass from Rachel Denwood re MASQUED and THE HALLOWED ONES. UGH! Please see her note below for your files:

Dear Whitney

Thanks so much for sending THE HALLOWED ONES and MASQUED – which we really enjoyed. I'm afraid we are going to have to pass on these two – we have a number of new YA authors who we are currently building, such as your fantastic Kat Zhang, and accordingly we have to be increasingly selective when taking on new titles. Many thanks for thinking of us – we wish you all the best in finding a suitable home for these titles.

Best wishes,  
Rachel

Onward and upward!

xo,  
Whitney
